Parent and guest books can only be purchased alongside a main book

This is our range of contemporary handmade albums with smaller parent and guest books to match. The albums open so the pages lay flat with full double page edge to edge panoramic photographic printing.

In our parent and guest books, choose from press printed or photographic paper. They are produced from exactly the same artwork as the main album. All hard back parent and guest books come with a photographic wrap over a black book cloth cover.

All main album prices include any cover and a presentation box.

All Prices are plus VAT.

Coffee table books with printed paper are like those you would buy in a book shop. Unlike our albums, coffee table books do not lay flat when open. Designs need to be supplied as double page spreads, but remember that if your image goes across 2 pages, you will lose up to 10mm of your image into the spine.
